

# Teen Music

VIDEO PRODUCTION, AUDIO PRODUCTION,  
AND SONGWRITING

Students will learn video production, audio production and songwriting in this class by Arts Globo and Show Brazil Productions. All three classes will work in collaboration. Students will have a chance to enhance their skills in a joint effort to direct, produce, film and edit video projects using their camera phones, iPad, and computers. This online class is taught by teaching artists, Bunnie Marie Moore, John Phoenix, and Ernest Laconic Wingo.
